

Laura Ingalls Wilder's library of books has become a national treasure for young readers. ArtsPower's musical, *Laura Ingalls Wilder*, chronicles the life and times of Laura and her family's adventures traveling across America.

A true tomboy at heart, Laura shares her Pa's pioneering spirit and passion for the outdoors. Her Pa encourages her to keep a diary of their travels, but Laura is too busy playing on the prairie, fishing, and chasing gophers.

Life on the frontier is often difficult for the Ingalls. After arriving in Kansas, the family is forced to move on again when the United States government designates their land as Indian territory.

They journey to Minnesota only to be faced with illness when scarlet fever

strikes Mary, Laura's older sister, causing her to lose her sight. Laura becomes Mary's eyes to the world, and Mary shows her younger sister how to face life with strength and courage.

For over 50 years, Laura Ingalls Wilder's classic books have inspired young people to discover their own pioneering spirit and a love for America's heartland. Join Laura and the Ingalls family as they travel across the prairie in search of the little house they can call home.
